All other Contract provisions shall remain unchanged and shall continue in full force and effect.

Furthermore, no Provider Agency that Contracts with the Department shall enter into any subcontract unless the subcontractor can demonstrate that it is incorporated in the State of New Jersey or its annual business registration is current. Failure to comply with this paragraph or the citation referenced above shall be grounds for the Department to Terminate this Contract for cause.

Section 3.05 Set-Off for State Tax. Pursuant to P.L. 1995, c. 159, effective January 1, 1996, and notwithstanding any provision of the law to the contrary, whenever any taxpayer (Provider Agency), partnership or S corporation under contract to provide goods or services or construction projects to the Department is entitled to payment for those goods or services at the same time a taxpayer,

of the State of New Jersey, and applicable federal law and applicable federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the Office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Affirmative Action Office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (N.J.A.C. 17:27).

Section 3.07 Department Policies and Procedures. In the administration of this Contract, the Provider Agency shall comply with all applicable policies and procedures issued by the Department including, but not limited to, the policies and procedures contained in the Department's Contract Reimbursement Manual (as from time to time amended) and the Department's Contract Policy and Information Manual (as from time to time amended). Failure to comply with these policies and procedures shall be grounds to terminate this Contract.

Section 3.08 Financial Management System. The Provider Agency's financial management system shall provide for the following:

- (a) accurate, current and complete disclosure of the financial results of this Contract and any other contract, grant, program or other activity administered by the Provider Agency;
- (b) records adequately identifying the source and application of all Provider Agency funds and all funds administered by the Provider Agency. These records shall contain information pertaining to all contract and grant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays and income;
- (c) effective internal control structure over all funds, property and other assets. The Provider Agency shall adequately safeguard all such assets and shall ensure that they are used solely for authorized purposes;

- (e) accounting records supported by source documentation;

- (f) procedures to minimize elapsed time between any advance payment issued and the disbursement of such advance funds by the Provider Agency; and
- (g) procedures consistent with the provisions of any applicable Department policies and procedures for determining the reasonableness, allowability and allocability of costs under this Contract.

Section 3.09 Audit. The Department requires submission of the Provider Agency's annual organization-wide audit.

Audits shall be conducted in accordance with the Federal Single Audit Act of 1984, generally accepted auditing standards as specified in the Statements on Auditing Standards issued by the American Institute of Certified Public Accountants and Government Auditing Standards issued by the Comptroller General of the United States.

At any time during the Contract term, the Provider Agency's overall operations, its compliance with specific Contract provisions, and the operations of any assignees or subcontractors engaged by the Provider Agency under Section 5.02 Assignment and Subcontracts may be subject to audit by the Department, by any other appropriate unit or agency of State or federal government, and/or by a private firm or firms retained or approved by the Department for such purpose.

Whether or not such audits are conducted during the Contract term, a final financial and compliance audit of Contract operations, including the relevant operations of any assignees or subcontractors, may be conducted after Contract Termination or Expiration.

The Provider Agency is subject to audit up to four years after Termination or Expiration of the Contract. If any audit has been started but not completed or resolved before the end of the four-year period, the Provider Agency continues to be subject to such audit until it is completed and resolved.

Section 3.10 Federal Davis-Bacon Act and New Jersey Prevailing Wage Act. Any Department Contract containing federal funds in excess of \$2,000 utilized for the construction, alteration, renovation, repair or modification of public works or public buildings to which the federal government is a party, or any contract for similar work on public works financed with federal funds must comply with the federal Davis-Bacon Act, 40 U.S.C. section 276a et seq. The Davis-Bacon Act requires that the contractor must pay the prevailing wages to each designated worker

class engaged under the contract at wage rates determined by the U.S. Secretary of Labor.

In addition, any State funds in excess of \$2,000 utilized through a subsequent Provider Agency contract or subcontract for any public work in which the Department is a party, or for public work to be done on property or premises leased or to be leased by the Department shall comply with the NJ Prevailing Wage Act, N.J.S.A. 34:11-56.27. Such contracts or subcontracts shall contain a provision stating that the prevailing wage rate, as designated by the New Jersey Commissioner of Labor, must be paid to all designated classes of workers employed through said contracts or subcontracts. The Provider Agency must determine if the New Jersey Prevailing Wage Act applies and follow all directives per N.J.S.A. 34:11-56 et seq.

Section 3.11 Contract Closeout. The Provider Agency shall comply with all requirements of Policy Circular P7.01, Contract Closeout, including the timely submittal of the Final Report of Expenditures and any other financial or programmatic reports required by the Department. All required documentation is due within 120 Days of Contract Expiration or Termination.

#### IV. TERMINATION

The Department may terminate or suspend this Contract in accordance with the sections listed below.

Section 4.01 Default and Termination for Cause. If the Provider Agency fails to fulfill or comply with any of the terms or conditions of the Contract, in whole or in part, the Department may by Notice place the Provider Agency in default status, and take any action(s) listed in accordance with Department Policy Circular P9.05, Contract Default. Notice shall follow the procedures established in the Policy Circular.

The above notwithstanding, the Department may immediately upon Notice terminate the Contract prior to its expiration, in whole or in part, whenever it is determined that the Provider Agency has jeopardized the safety and welfare of the Department's clients, materially failed to comply with the terms and conditions of the Contract, or whenever the fiscal or programmatic integrity of the Contract has been compromised. The Notice of Termination shall state the reason for the action(s); the Provider Agency's informal review options, time frames and procedures; the effective date of the Termination; and the fact that a request for a review of the decision for action(s) does not preclude the determined action(s) from being implemented.

Section 4.02 Termination by the Department or Provider Agency.

The Department or provider Agency may terminate this Contract upon 60 Days' advance written Notice to the other party for any reason whatsoever, including lack of funding by the Department.

The parties expressly recognize and agree that the Department's ability to honor the terms and conditions of this Contract is contingent upon receipt of federal funds and/or appropriations of the State legislature. If during the term of this Contract, therefore, the federal and/or the State government reduces its allocation to the Department, the Department reserves the right, upon Notice to the Provider Agency, to reduce or terminate the Contract.

Section 4.03 Termination Settlement. When a Contract is terminated under any section of Article IV of this Contract or Policy

Circular P9.05, Contract Default, the Provider Agency shall be prohibited from incurring additional obligations of Contract funds. The Department may allow costs that the Provider Agency could not reasonably avoid during the Termination process to the extent that said costs are determined to be necessary and reasonable.

The Provider Agency and Department shall settle or adjust all accounts in a manner specified by the Department and shall be subject to a final audit under Section 3.09 Audit.

V. ADDITIONAL PROVISIONS

Section 5.01 Application of New Jersey Law. This Contract shall be governed, construed and interpreted in accordance with the laws of the State of New Jersey including the New Jersey Contractual Liability Act (N.J.S.A. 59:13-1 et seq.).

Section 5.02 Assignment and Subcontracts. This Contract, in whole or in part, may not be assigned by the Provider Agency or assumed by another entity for any reason, including but not limited to changes in the corporate status of the Provider Agency, without the prior written consent of the Department. Upon prior written notice of a proposed assignment, the Department may: (1) approve the assignment and continue the Contract to term; (2) approve the assignment conditioned upon the willingness of the assignee to accept all contractual modifications deemed necessary by the Department; or (3) disapprove the assignment and either terminate the Contract or continue the Contract with the original Provider Agency.

The Provider Agency may not subcontract any of the services that it has committed to perform or provide pursuant to this Contract without the prior written approval of the Department. Such consent to subcontract shall not relieve the Provider Agency of its full responsibilities under this Contract. Consent to the subcontracting of any part of the services shall not be construed to be an approval of said subcontract or of any of its terms, but shall operate only as an approval of the Provider Agency's request for the making of a subcontract between the Provider Agency and its chosen subcontractor. The Provider Agency shall be responsible for all services performed by the subcontractor and all such services shall conform to the provisions of this Contract.

Section 5.03 Client Fees. Other than as provided for in the Annex(es) and/or Departmental Component specific policies, the Provider Agency shall impose no fees or any other types of charges of any kind upon recipients of Contract services.

Section 5.04 Indemnification. The Provider Agency shall assume all risk of and responsibility for, and agrees to indemnify, defend and hold harmless the State of New Jersey and its employees from and against any and all claims, demands, suits, actions, recoveries, judgments and costs, and expenses in connection therewith on account of the loss of life, property or injury or damages to the person, body or property of any person or persons, whatsoever, which shall arise from or result directly or indirectly from (1) the work, service or materials provided under this Contract; or (2) any failure to perform the Provider's obligations under this Contract or any improper or deficient performance of the Provider's obligations under this Contract. This indemnification obligation is not limited by, but is in addition to, the insurance obligations contained in this Contract.

Furthermore, the provisions of this indemnification clause shall in no way limit the obligations assumed by the Provider under this Contract, nor shall they be construed to relieve the Provider from any liability nor preclude the State of New Jersey, its Agencies, and/or the Department of Human Services from taking any other actions available to them under any other provisions of this Contract or otherwise in law.

Section 5.05 Insurance. The Provider Agency shall maintain adequate insurance coverage. The State shall be included as an Additional Insured on any insurance policy applicable to this Contract. Should the Provider Agency fail to pay any premium on any insurance policy when due, the Department may pay the premium and,

upon Notice to the Provider Agency, reduce payment to the Provider Agency by the amount of the premium payment.

Section 5.06 Modifications and Amendments. If both parties to this Contract agree to amend or supplement this Contract, any and all such amendments or supplements shall be in writing and signed by both parties. The amendment or supplement shall incorporate the entire Contract by reference and will not serve to contradict, amend or supplement the Contract except as specifically expressed in the amendment or supplement.

Section 5.07 Statement of Non-Influence. No person employed by the State of New Jersey has been or will be paid any fee, commission, or compensation of any kind or granted any gratuity by the Provider Agency or any representative thereof in order to influence the awarding or administration of this Contract.

Section 5.08 Exercise of Rights. A failure or a delay on the part of the Department or the Provider Agency in exercising any right, power or privilege under this Contract shall not waive that right, power or privilege. Moreover, a single or a partial exercise shall not prevent another or a further exercise of that or of any other right, power or privilege.

Section 5.09 Recognition of Cultural Sensitivity. The Provider Agency agrees in the performance of this Contract to be sensitive to the needs of the minority populations of the State of New Jersey. This sensitivity includes the employment, if possible, of a culturally diverse staff that can communicate with, and be representative of, the community it serves.

The Provider Agency shall make programs linguistically appropriate and culturally relevant to underserved minority groups within the community. Appropriate accommodations for services shall be developed and maintained for those minority individuals who are deprived of reasonable access to those services due to language barriers or ethnic and cultural differences. In addition, Provider Agencies shall make certain that all programs and services are reflective of the demographic needs of the community, while providing all minorities the opportunity to experience any and all available social services irrespective of their ethnic or cultural heritage.

Section 5.10 Copyrights. The State of New Jersey reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use any work or materials developed under a Department or federally funded contract or subcontract. The Department also reserves the right to authorize others to reproduce,

publish or otherwise use any work or materials developed under said contract or subcontract.

Section 5.11 Successor Contracts. If an audit or Contract close-out reveals that the Provider Agency has failed to comply with the terms and/or conditions of this Contract, the Department reserves the right to make all financial and/or programmatic adjustments it deems appropriate to any other Contract entered into between the Department and the Provider Agency.

Section 5.12 Sufficiency of Funds. The Provider Agency agrees that this Contract is contingent upon availability of appropriated funding and fulfillment of the following procedure(s):

A separate Contract confirmation letter may be sent by the Department's Contract Policy and Management Unit to the Provider Agency prior to the effective date of the Contract. The confirmation shall include the Contract term and the negotiated Contract reimbursable ceiling. The confirmation letter shall be signed by the authorized Provider Agency signatory and returned to the Contract Policy and Management Unit. The Contract shall not be valid or binding and no payment(s), other than the Initial Advance Payment will be approved until the Contract Policy and Management Unit is in receipt of a properly executed confirmation letter.

Whenever a Contract ceiling is revised (increased or decreased) during the Contract term, a Contract Modification confirmation letter may be initiated that follows the same procedure as the Contract confirmation letter.

The Contract term and reimbursement ceiling specified in the Contract confirmation letter(s) are hereby incorporated into and made a part of this Contract.

Section 5.13 Collective Bargaining. State and federal law allow employees to organize themselves into a collective bargaining unit.

Funds provided under this Contract shall not be utilized to abridge the rights of employees to organize themselves into a collective bargaining organization or preclude them from negotiating with Provider Agency management. Funds may be utilized for legitimate and reasonable management purposes at the direction of the Provider Agency during the process of collective bargaining organization.

Section 5.14 Independent Employer Status. Employees of Provider Agencies that Contract with the Department of Human Services are employees of the Provider Agency, not the State.

In accordance with the National Labor Relations Act, 29 U.S.C.A. 152(2) and State law, N.J.S.A. 34:13A-1 et seq., Provider Agencies are independent, private employers with all the rights and obligations of such, and are not political subdivisions of the Department of Human Services.

As such, the Provider Agency acknowledges that it is an independent contractor, providing services to the Department of Human Services, typically through a contract-for-services agreement. As independent contractors, Provider Agencies are responsible for the organization's overall functions which includes the overseeing and monitoring of its operations, establishing the salary and benefit levels of its employees, and handling all personnel matters as the employer of its workers.

The Provider Agency acknowledges its relationship with its employees as that of employer. While the Department has an adjunct role with Provider Agencies through regulatory oversight and ensuring contractual performance, the Provider understands that the Department is not the employer of a Provider Agency's employees.

The Provider Agency further acknowledges that while the Department reimburses Provider Agencies for all allowable costs under the Contract, this funding mechanism does not translate into the Department being responsible for any of the elements of any collective bargaining agreements into which Provider Agencies may enter. Moreover, each Provider Agency understands that it is responsible for funding its own programs and is not limited to the

amount of funding provided by the Department, and, in fact, is encouraged to solicit non-State sources of funding, whenever possible.

Section 5.15 Executive Order No. 189. Executive Order No. 189 establishes the expected standard of responsibility for all parties that enter into a contract with the State of New Jersey. All such parties must meet a standard of responsibility that assures the State and its citizens that such parties will compete and perform honestly in their dealings with the State and avoid conflicts of interest.

In compliance with Paragraph 3 of Executive Order No. 189, no Provider Agency shall pay, offer to pay, or agree to pay, either directly or indirectly, any fee, commission, compensation, gift, gratuity, or other thing of value of any kind to any State officer or employee or special State officer or employee, as defined by N.J.S.A. 52:13D-13b and e, in the Department of the Treasury or any other agency with which such Provider Agency transacts or offers or

proposes to transact business, or to any member of the immediate family, as defined by N.J.S.A. 52:13D-13i, of any such officer or employee, or any partnership, firm, or corporation with which they are employed or associated, or in which such officer or employee has an interest within the meaning of N.J.S.A. 52:13D-13g.

The solicitation of any fee, commission, compensation, gift, gratuity or other thing of value by any State officer or employee or special State officer or employee from any Provider Agency shall be reported in writing forthwith by the Provider Agency to the Attorney General and the Executive Commission on Ethical Standards.

No Provider Agency may, directly or indirectly, undertake any private business, commercial or entrepreneurial relationship with, whether or not pursuant to employment, contract or other agreement, express or implied, or sell any interest in such Provider Agency to, any State officer or employee or special State officer or employee having any duties or responsibilities in connection with the purchase, acquisition or sale of any property or services by or to any State agency or any instrumentality thereof, or with any person, firm or entity with which he is employed or associated or in which he has an interest within the meaning of N.J.S.A. 52:13D-13g. Any relationships subject to this provision shall be reported in writing forthwith to the Executive Commission on Ethical Standards, which may grant a waiver of this restriction upon application of the State officer or employee or special State officer or employee upon a finding that the present or proposed relationship does not present the potential, actuality or appearance of a conflict of interest.

No Provider Agency shall influence, or attempt to influence or cause to be influenced, any State officer or employee or special

State officer or employee in his official capacity in any manner which might tend to impair the objectivity or independence of judgment of said officer or employee.

No Provider Agency shall cause or influence, or attempt to cause or influence, any State officer or employee or special State officer or employee to use, or attempt to use, his official position to secure unwarranted privileges or advantages for the Provider Agency or any other person.

The provisions cited above shall not be construed to prohibit a State officer or employee or special State officer or employee from receiving gifts from or contracting with Provider Agencies under the same terms and conditions as are offered or made available to members of the general public subject to any guidelines the Executive Commission on Ethical Standards may promulgate.
